

The Youngpreneur Program

Week 1 Hands On Homework

1) Ask family members what they think you are good at.

2) Identify whether you will be selling a product or service.

3) Determine whether you will sell your product/service online or in person.

4) Come up with list of potential businesses and choose three ideas and post it on Facebook or share with your family.

5) Research one successful entrepreneur that started young and post it on Facebook or share with your family.
